In accordance with the duty of disclosure under 37 C.F.R. §1.56 and §§1.97-1.98, and supplemental to the Information Disclosure Statement that was filed on June 7, 2002, Applicants hereby submit a copy of a Notice of Preliminary Rejection from the Korean Patent Office that was mailed on April 6, 2004 (along with an English language translation), with respect to patent family member Korean Patent Application No. 10-2002-0012610, in which the Korean Patent Examiner cited the following document:

Korean Laid-Open Patent Publication No. 2000-12324, which was published on March 6, 2000, together with an English language Abstract of the same.

The category of relevance, pertinent portions, and claims to which this document is relevant, as ascertained by the Korean Examiner applying Korean rules to the Korean claims are set forth in the Korean Office Action.

Applicants respectfully request that the Examiner consider the above material and cite the same. A copy of the above-noted document is attached hereto and is listed on the attached PTO-1449 Form. The Examiner is requested to initial the appropriate spaces on the attached Form and to return a copy of the completed Form to Applicants with the next official communication in the present application.

Applicants note that an Office Action on the merits has not issued in the present application, and thus no fee is believed necessary to ensure consideration of the submitted material. Further, in accordance with 37 C.F.R. 1.97(e), the undersigned hereby states that each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. Of course, this statement does not apply to information that has previously been cited by Applicant or the Examiner in the present application as that information is already of record and no certification is necessary.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
Koichi EMURA et al.
